Re: Proposed Permanent Road Closure – Pathway Off Charlie Street, Zillmere, Separating Lot 218 on RP74443 From Lot 220/ on RP91506

Thank you for your email dated 12 March 2015 requesting Council's views surrounding a request for a permanent road closure of part of a pathway off Charlie Street, Zillmere.

Please be advised that Council objects to the proposal as the area is required for its designated use road. The pathway provides an important pedestrian link for surrounding streets through to Church Road bus stops.

Yours sincerely
