Hi Denise

Thanks so much for your response.

I object to the sale of the road/easement between Lots 49 and 50 Paradise Island.

My objection is due to the lack of open parks and spaces on our Island.

I also note that there is a fence on the river's edge; and wondered if the Government had installed it?

Further, if Lot 50 built a fence for their own privacy, the purported claim that people using the easement have caused Lot 50 discomfort; the fence would remove that discomfort.

Its not necessary to make your objection on a specific form.

Just make known the specifics relating to your objection in email form to 'SLAM-goldcoast@dnrm.qld.gov.au', the same email address you have just used.

If you would like to speak with the processing officer, by all means, phone on Monday and ask for Suze Collis and quote our file references 2014/000510 and 2014/000515.

Dear Folks

Sorry to keep badgering you over the proposed closure of the Easement on the Eastern side of the Island.

I have just been speaking with Suzie Collis, the processing Officer, Department of Natural Resources and Mines, regarding the Association's unconstitutional approval of the sale.

It appears that the Association has lodged their approval with Council, as Suzie Collis has advised that Council agree to the sale, unfortunately, down the track, if we do not protect this piece of land then we are in for high rise high density population, which is in line with Lex Bell's advice regarding Council's need to save funds, through not having to provide infrastructure in green spaces, by filling up and using every bit of brown (already developed) space.

I would urge you to think about the consequences in the long run. All you need do is email:

SLAM-goldcoast@dnrm.qld.gov.au

Advise you disapprove on the grounds of 'no open parks and spaces' on Paradise Island. Make sure you quote the FILE REFERENCE NUMBERS ABOVE.

This is to voice my ABSOLUTE and total OBJECTION re the sale to private developers or single lot owners of the Council owned easement on the eastern side of Paradise Island.

Already we are park and recreational areas poor. This small easement on Paradise Island provide young and old individuals alike, a space from where they should be able to throw a fishing line into the river or simply enjoy a quite time sitting watching the wild life go by. From this vantage point one can feed numerous bird life, ducks, black swans, seagulls and now, even the occasional pelican!

If this land is sold we will loose this wonderful area and the opportunity to do the above FOR EVER.

Should this sale NOT PROGRESS I would also ask that the FENCE that has been erected TO STOP ACCESS TO THE WATER FRONT, BE REMOVED immediately following the decision. Maybe council are not aware of this construction!

Eventually, the lots mentioned will develop their holdings, and we the residents, or casual visitors to the space, will be left with a GREATER mass of units because of the extra, or should I say combined allocation to those lots (49 and 50) IF this sale was to progress. I, together with A NUMBER of other residents find the proposed sale TOTALLY UNACCEPTABLE.

People not so fortunate to live on the water, have the right to enjoy these tranquil spaces. Happily at present and I sincerely hope in the future, Paradise Island can provide that tranquility to anyone caring to visit.

My vote is "SAY NO" to the SALE OF THE EASEMENT BETWEEN LOTS 49 and 50 Paradise Island, Surfers Paradise. QLD. 4217

Don't let the Northern end of Paradise Island become a concrete jungle of units with NO GREEN SPACE or pleasant RECREATIONAL AREAS.
