Dear Sir/Madam

RE: LATER WORK PROGRAM FOR AUTHORITY TO PROSPECT (ATP) NUMBER 606

Australia Pacific LNG Pty Limited is the holder of Authority to Prospect (ATP) Number 606.

Under section 79 of the *Petroleum and Gas (Production and Safety) Act 2004* (the P&G Act) an ATP holder is required to lodge a proposed later work program for the authority at least 40, but no more than 100, business days before the end of the current work program period.

According to departmental records relating to ATP 606, the program period for the current work program ended 31 October 2010. As at the date of this letter Australia Pacific LNG Pty Limited has not lodged a later development plan as required by section 79 of the P&G Act.

This letter is a notice as required under section 79(5)(a) of the P&G Act. Australia Pacific LNG Pty Limited is required to lodge a later work program for ATP 606 within 40 business days after the giving of this notice.

Under section 79(5)(b) of the P&G Act Australia Pacific LNG Pty Limited must comply with this request.

Please note pursuant to section 79(6)(b)(ii) of the P&G Act, due to the late lodgement of the proposed plan you will be required to lodge an amount that is 10 times the prescribed fee.

Pursuant to section 80 of the P&G Act, if Australia Pacific LNG Pty Limited does not comply with this request the ATP is cancelled.

Should you have any further enquiries, please contact me on telephone number (07) 3235 4254 or email dmpetroleumtenures@dme.qld.gov.au.

Yours sincerely
