Dear Sir

**SURRENDERS OF MINING LEASE NUMBERS
5139, 5140, 5141, 5142, 5146, 5148, 5154, 5155,
5156, 5159, 5163, 5164, 5165, 5166 AND 5167.**

I refer to several items of correspondence sent to your office on 21 April 1998. This correspondence advised that the leases listed above had been surrendered.

In the subject heading on each of these letters the tenures were inadvertently referred to as "Mining Claims" instead of the correct tenure title of "Mining Lease".

Can you please note your records accordingly. Should you receive correspondence from our Department at any time, that appears to be inconsistent with your records, can you please contact us so the matter can be investigated.

I apologise for any inconvenience cause by this oversight.

Yours sincerely

Dear Janette

I refer to our previous communications concerning the surrender notification of Union Mining NL's mining leases to the Croydon Shire Council.

All of the surrenders as stated on your list, apart from ML 5121, 4992 and 4993, were notified to your office, Dept of Lands and Dept of Housing and Local Government in April 1998. However a problem may have occurred as the tenures were inadvertently referred to as "Mining Claims" instead of "Mining Leases" and they may have been filed in your mining claim area. I am attaching a copy of one of the said letters so you can note your records accordingly and also the letters from Peter Wilson for ML's 5121, 4992 and 4993.

If you are unable to locate the original letters I will produce amended copies for all of the mining leases and forward them in the mail. Just let me know.

I apologise for any inconvenience, this mistake may have caused. Should you receive correspondence from our department at any time in the future that appears to be inconsistent with your records, can you please contact us so they can be rectified.

If you require any further information, please contact me.

Anna Smith
Field Officer
