s.49 - Personal Information blocks off the original surveyed road. (See attached picture showing current access and boundaries of all properties). It is clear that if this road closure was to go ahead, access s.49 - Personal Information property.

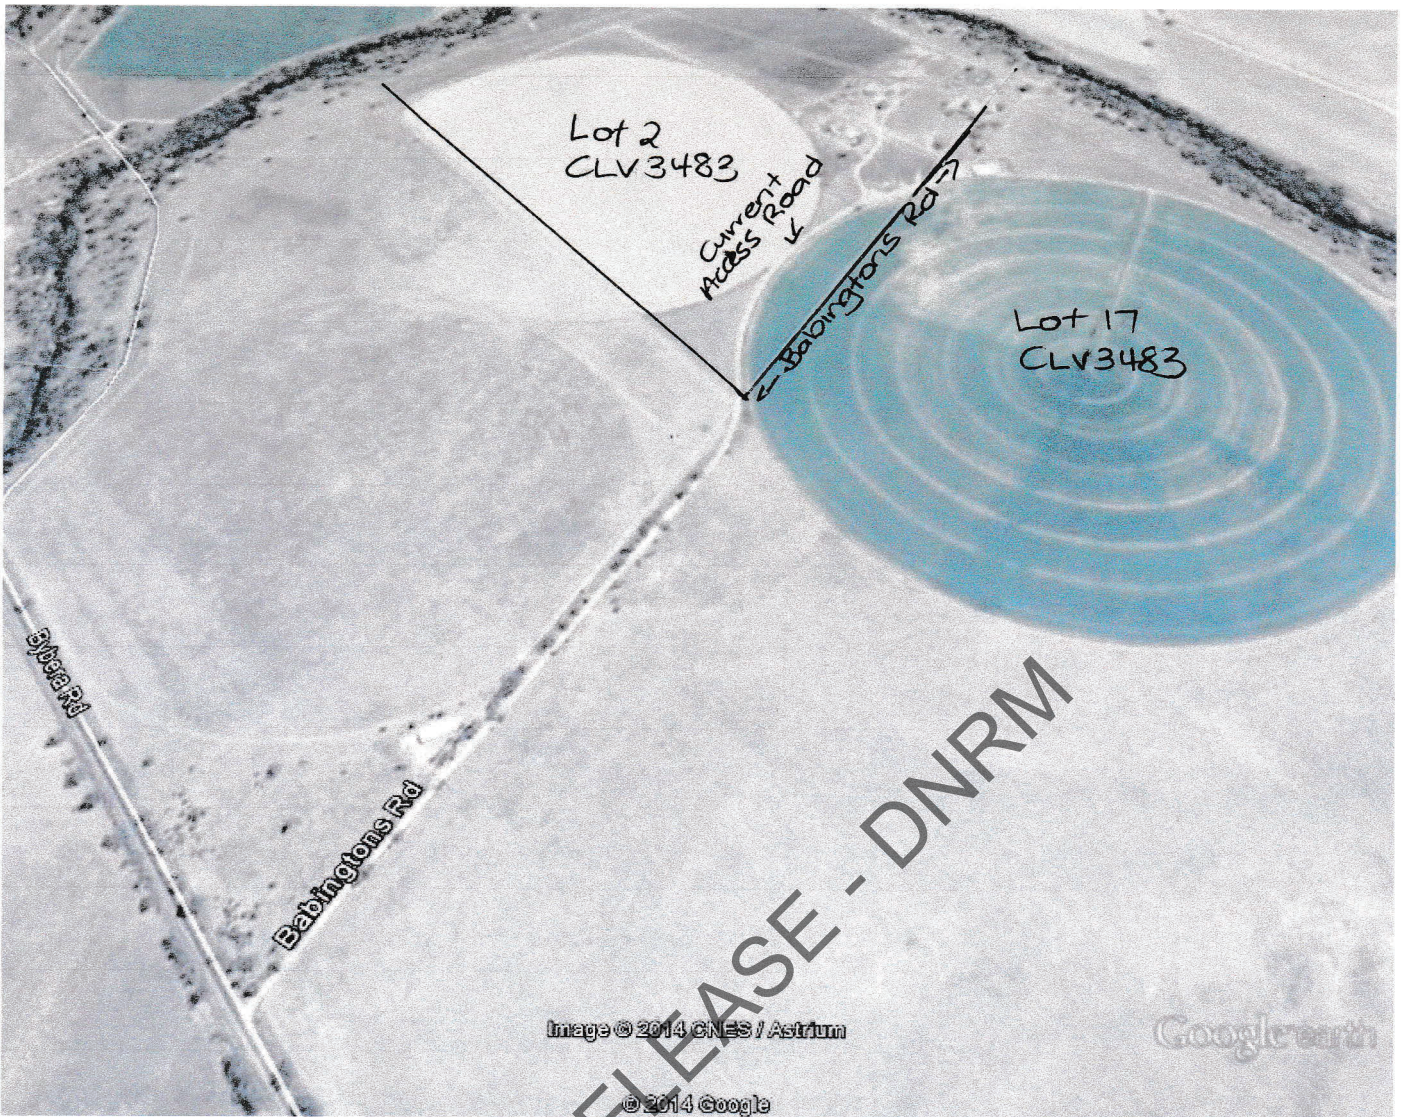

Further to this access issue, we also had future plans to use this road once we placed the boundaries back in to their correct surveyed positions. This way s.49 - Signature could use Babingtons Road for legal access to both properties which is what the surveyed road was initially put there for.

Due to the closing date of this application nearing and s.49 - Personal Information we are unable to assess within this time frame whether this application is going to cause any issues in the future. s.49 - Personal Information
