Dear Doreen

**PERMANENT ROAD CLOSURE – PART OF THE UNNAMED ROAD OFF EAST EGYPT ROAD, FLAGSTONE CREEK**

I refer to the above matter and to your email correspondence of 17 February 2014.

I wish to advise that this matter was considered at Council's Ordinary Meeting on 28 May 2014. With respect to your request for Council's views relating to an application for permanent closure of part of the unnamed road off East Egypt Road, Flagstone Creek, Council resolved to advise you that Council:-

- a) Objects to the proposed application on the basis that if the application is granted, there is potential for Lot 159 on CC1070 to be effectively landlocked with no connection to a connected road network because:-
  - (i) The constructed section of Batemans's Road is not aligned with the dedicated road; and
  - (ii) There appears to have been a previous permanent closure of that section of the dedicated road which would have traversed Lot 5 on RP197957 and connected to the road within Lots 159 on CC1070, Lot 160 on CC809 and Lot 161 on CC677.
- b) Is not aware of any other views and requirements that may affect the future use of the land which should be considered in assessing the application for permanent road closure.

Should you require any further clarification please do not hesitate to contact Caitlan Natalier on (07) 5462 0315.

Yours faithfully
